Kifuliiru Dictionary [1]

Submitted by doug

Title	Kifuliiru Dictionary
Publication Type	Unpublished
Year of Publication	2000
Authors	Van Otterloo R [2], Van Otterloo K [3]
Keywords	Bantu [4]
Notes	Roger Van Otterloo developed a list of domains for his Kifuliiru (Bantu, Congo) dictionary based on his considerable work on the language. It is one of the largest and best developed lists of domains for a non-Indo-European language that I am aware of. It was edited by Alison Nicolle and (with Roger's permission) formed the original basis for the DDP list of domains. It has around 900 domains.
